

# Star Wars: In Concert

Sunday, July 18<sup>th</sup> at 3:00pm and 7:30pm

**Duke Faculty & Staff save \$5 off per ticket!**

With live narration by Anthony Daniels (the actor who portrayed C-3PO in all six films), the production features a full symphony orchestra and choir, accompanied by specially edited footage from the films displayed on a three-story-tall, high-definition LED super-screen – one of the largest ever put on tour. The footage actually runs in sync with the live music to create a full multi-media, one-of-kind Star Wars experience.

Accompanying the concert is an exclusive exhibit of Star Wars costumes, props, artifacts, production artwork and specially created behind-the-scenes videos from the Lucasfilm Archives. Many of these pieces are leaving Skywalker Ranch for the first time ever. The exhibit features many classic fan favorite artifacts, as well as several new and never-before-seen items.
