Introducing Abby Cadabby! The newest Muppet on Sesame Street joins Elmo, Zoe, Rosita and all of her furry and feathered friends in asking, ‘What do you want to be when you grow up?’ as they prepare for a pageant on Sesame Street. Get ready to sing cowboy songs, ride the rails and more with Sesame Street Live "When Elmo Grows Up."

When Elmo and his Sesame Street Live friends think about growing up, it’s a musical show-and-tell! As Bert dreams of becoming a forest ranger, Telly longs to be a cowboy and their newest friend, Abby Cadabby, wants to be a Fairy Godmother just like her mommy. Elmo thinks about becoming a ‘weather monster,’ but has a hard time predicting his own forecast—he wants to be anything and everything all at once! "When Elmo Grows Up" includes lessons on perseverance, teamwork and the power of imagination. Children learn that if they believe in themselves and are willing to try, the possibilities are endless.
