

## MOSS GARDENS IN A DISH

*David Spain, Moss and Stone Gardens, Raleigh*

Create an amazing miniature world using a variety of mosses in the dish of your choice. David will introduce you to a variety of mosses and work with each of you to combine them into a distinctive dish garden. Learn more about the care and planting of moss and then enjoy your moss garden at home. David is an inspiring teacher who helps people design with these unusual plants

in order to produce a unique, individual, and beautiful dish garden. Please bring a dish, with drainage holes, of roughly these dimensions: 12" x 12" x 4". See [www.mossandstonegardens.com](http://www.mossandstonegardens.com) for photo examples of moss dish gardens.
