The employee (also referred to below by using "I" or "my") hereby agrees and authorizes Duke, Duke University Health System Inc, hereafter "Duke" to reduce gross salary by the amount indicated above with respect to salary earned on or after the effective date. Such salary reduction amount shall be applied by Duke to purchase one or more Annuity Contracts and/or Custodial Accounts for the employee, as allocated and set forth on this form. The amount of the reduction shall remain in effect unless and until the employee and Duke agree to amend the reduction. Reductions indicated on this form revoke and replace prior elections, if any, made by me. The Salary Reduction Agreement shall be legally binding and irrevocable as to each of the parties hereto while employment continues; provided, however, that either party may terminate this Agreement 30 days from the pay date, so that it will not apply to salary subsequently earned, by giving written notice of the date of termination. It is further agreed that no more than one of these forms may be made within a pay period. I understand this Agreement is subject to approval by Duke and I accept full responsibility for all the effects of this Agreement. In making this election I agree to be bound by Duke's good faith interpretation of the limits as set forth in §§402 (g) and 415 of the Internal Revenue Code. I understand that this is a complicated area of the law; that there are complex technical rules and requirements (some of which may be subject to possible different interpretations); and that Duke is gratuitously providing a service by calculating my maximum contribution level. I therefore agree that in consideration of Duke providing this maximum contribution calculation I will indemnify, hold harmless, and pay all judgments, claims and tax assessments against Duke and employees of Duke arising from any liability or damage incurred by reason of any actions, inactions or decisions performed, taken, not taken or made by it or them in connection with any errors that may arise from my having made this election. Finally, I understand that an error in this calculation may result in current taxation of all or a part of the amounts contributed under this election and I agree that Duke may recover additional income tax withholding from my future salary payments should current taxation occur.
