DUKE UNIVERSITY HEALTH SYSTEM

*"Knowing that I have to stay healthy for my little girl is very important to me. As a mother I need to set examples for her to keep fit and eat the right things."
— Rachael Culler, Sponsored Programs, Duke University*

Plan Highlights

Exciting News!

- No increase in co-pays or deductibles for health, pharmacy, dental, and vision benefits.
- Up to six nutritionist visits per year will now be covered under all health plans.
- Mental health benefits are now the same under all plans, including Blue Care.
- \$25 decrease in co-pays for insulin and diabetic supplies.
- Hello Wake County! Our provider network continues to grow for those enrolled in Duke Select and Duke Basic.
- Premiums for the Duke Basic Health Plan, Vision Plan, and Dental Plan B remain the same.

New! Health Care Card Makes it Easier to Use Your Reimbursement Account!

- This year Duke introduces a new Health Care Card that will pay for most eligible expenses at the point of the sale, using funds from your reimbursement account. Watch for details!
