Enroll for health, dental, vision,
and reimbursement accounts from
October 1 through October 17, 2007.

DUKE UNIVERSITY
DUKE UNIVERSITY HEALTH SYSTEM

"This is my sister and her friends. During a beach trip, they rented a kayak and had so much fun. I believe that the family that smiles together, walks the miles together. Life can be hard and bring a lot of obstacles, but we can always count on the support from our family to keep us happy and healthy." — Karolina Angell, Office of Research Support
